The SecureAdvantage Health & Wellness PLUS Plans provide benefits for covered wellness exams and health screenings. They do not cover sicknesses or accidental bodily injuries, which are covered under a traditional ACA metal plan. If sickness or accidental bodily injury coverage is appropriate for You and/or Your family, please ask Your agent for details on the SecureAdvantage Specified Disease/Sickness Plan and the SecureAdvantage Accident Plan. The ACA generally requires individuals to maintain "minimum essential coverage" or be subject to the payment of the annual shared responsibility payment with the payment of their taxes to the federal government from 2014 – 2018. Congress eliminated the shared responsibility payment in 2019 and beyond for individuals who do not maintain ACA "minimum essential coverage" during 2019 or any year thereafter. (See page 29 of this brochure for details). The SecureAdvantage Health & Wellness PLUS Plans provide benefits for covered medical services but are neither traditional major medical plans nor Workers Compensation plans under state law. The SecureAdvantage Health & Wellness PLUS Plans are considered "excepted benefit plans" under the ACA and are not "minimum essential coverage" plans under the ACA.

¹The Plan is underwritten by Freedom Life Insurance Company of America.

²The MedGuard Plan is a 5-year, renewable term life insurance plan with the plan's stated death benefit paid to the insured's designated beneficiary. The MedGuard plan also contains an accelerated critical illness benefit, which provides the accelerated lump sum payment to the insured, while living, the stated percentage of the death benefit, if the insured is diagnosed with a covered critical illness or covered critical injury or undergoes a covered critical surgical procedure. Life insurance plans are not considered "health insurance" under the ACA. The ACA generally requires individuals to maintain "minimum essential coverage" or be subject to the payment of the annual shared responsibility payment with the payment of their taxes to the federal government from 2014 - 2018. Congress eliminated the shared responsibility payment in 2019 and beyond for individuals who do not maintain ACA "minimum essential coverage" during 2019 or any year thereafter. (See page 29 of this brochure for details).

Limitations and Exclusions apply. The MedGuard Plan has a separate brochure. If interested in this coverage, please see the MedGuard brochure and Certificate for complete details.

If You are diagnosed with a covered critical condition or undergo a covered critical surgery, **MedGuard** will pay a portion of the Death Benefit to You in a **lump-sum cash payment!**

You can use the cash for any purpose You deem necessary, such as helping to:

Protect Your assets from being spent on recovery	Pay COBRA or other insurance premiums	Pay Your taxes
Replace lost income for You and Your care-giving spouse	Pay home healthcare expenses	Pay travel and temporary housing expenses for You and Your Family while receiving care away from home
Pay Your mortgage or other obligations	Pay tuition expenses if You need to return to school	Pay for childcare
Pay out-of-pocket or medical expenses not covered by insurance	Reduce Your debt	Finance or protect Your children's college tuition
Pay for experimental treatment	Maintain Your Family's lifestyle	Maintain Your business during recovery

EASY Monthly Premium Options

- \$20 \$25 \$30 \$35 \$40 \$45 \$50 \$55 \$60
- \$65 \$70 \$75 \$80 \$85 \$90 \$95 \$100
